### SCHOLAR AND ATHLETE

Ronald S. Drysdale, Instructor at High School, Has Valuable English and American Experience.

The new instructor in Mathematics and Physics at the Windham High School in place of William J. Nelson, whose resignation was accepted last Wednesday, is Ronald S. Drysdale, a graduate of the College of Preceptors, London, England. Mr. Drysdale has also taken graduate work at Boston University and at Tufts. Y.

During his term of service at Lewiston he was the faculty manager of athletics, turning out a relay team last year which won every race in which it was entered, defeating Dedham High at Boston and making the second fastest time out of twenty-eight teams taking part in the interscholastic meet held there in April. In the complaint, made by South Windham people, Wednesday is stated as the day of the assault. A warrant was issued for the arrest of Rice by Judge Frank Bugbee and Chief Richmond took Rice into custody as he got off the car from South Windham Monday afternoon. The charge is that he committed a charge of criminal assault. The wife of Mr. Rice has been in the Norwich state hospital for about two years.

### DEMOCRATIC CAUCUS SHORT.

Ticket Named Without Difficulty Except in Lacking Names for Constables.

The ticket that the democratic party launched forth on the tide of town politics on Monday evening at the caucus sailed serenely along until the selection of constables was reached. Then matters reached almost a deadlock and there was a shower of declarations. The list was eventually filled out by the nomination of a man who wasn't there, but was willing, his nominator said, to be a candidate for public service. If it hadn't been for the trouble over constables the democrats would have beaten out the republicans on the ticket. Instead it took them seven minutes longer. The caucus started at 8:15 with James P. Twomey, chairman of the town committee, kept the chair on nomination of Oscar O. Tanager and with Frank P. Penton, named by Attorney Thomas J. Kelley, as clerk, and ended at 8:50. No hard-fought battle was fought. The ranks, merely a little difference on the part of might-be constables. There were 100 citizens present.

The names of Dr. George E. Wilcox was proposed by Mayor Daniel P. Dunn and he was unanimously selected for the office of assessor for three years. Clerk Penton casting one ballot, John Pickett was nominated for two year term by Dr. Wilcox and James P. Mustard, the nominee of Frank P. Penton, completed the board of assessors. Patrick J. Hurthe, nominated by Mayor Dunn, and George Mahen, nominated by Oscar O. Tanager, were selected for the board of relief. For the office of first selectman Attorney Thomas J. Kelley proposed the incumbent of the office for the past two years. It requires two years, he said, to become fairly familiar with the duties of the office, and now that incumbent is a much more valuable man to the town than when he was first selected. To his professional training has been added experience and judgment, and as an ideal candidate Attorney Kelley nominated Robert E. Mitchell.

For second selectman, George H. Backus of South Windham was nominated by ex-Mayor Tanager. James P. Mustard nominated Frank P. Penton for another term as town clerk. J. J. Minahan presented John H. Morfitt as a candidate for the town deposit fund but he declined. Mr. Minahan presented Hormidas Dion and he declined. Then John Collins, nominated by David Ahearn, James Haggerty suggested by Lyman Maine, Jr., Leo Thompson, nominated by Mr. Tanager, and Leander Smith, named by Lyman Maine, declined in succession. Col. Johnson said the office consisted mostly of swapping a couple of receipts with the town clerk. Finally Mayor Dunn arose and amid

### TRUTH TRIUMPHS

Norwich Citizens Testify for the Public Benefit.

A truthful statement of a Norwich citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, use a tested kidney medicine.

A Norwich citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?  
 Eugene Sweet, Norwich, Conn., says: "About twelve years ago I learned of the value of Doan's Kidney Pills. At that time I was confined to my bed as the result of an attack of lumbago. I suffered from sharp pains across my joints and was greatly annoyed by too frequent passages of the kidney secretions. I consulted the best doctors in Providence, but their treatment failed to help me in the least. I finally read about Doan's Kidney Pills and as I was badly in need of something that would help me, I began using them. Improvement was soon noticeable and I continued taking this remedy until the trouble disappeared. Others of my family have taken Doan's Kidney Pills for kidney complaint and have been cured."

### RE-ENDORSEMENT.

When seen at a later date, Mr. Sweet added: "I cannot all I have ever said in praise of Doan's Kidney Pills. I consider them the best kidney remedy to be had."

laughter placed P. J. Minahan on the ticket.

Col. John H. Morrison was nominated for auditor by Daniel Sullivan. For tax collector, William A. O'Connell was recommended by W. J. Sweeney. Thomas J. Killoury was nominated by Timothy Holden. W. A. Costello's nominee, declined, and Adolph Duval, P. D. Donohue's candidate, declined in order. Charles Miller was nominated by Arthur McQuillan and Arthur McQuillan was nominated by P. J. Minahan. Both men declined. Then John O'Rourke said that William Hussey was a likely candidate and the fact that he wasn't there clinched it. Mr. Hussey became the third candidate for constable straightway.

Lyman Maine, Jr., and Timothy E. Day, named by Mayor Dunn, were placed on the ticket as constables. Lyman Maine, Jr., begged to resign as constable and suggested James A. White. He declined and so did Jeremiah J. Murphy, presented by Ladd-Haggerty. Lyman Maine resigned again after George A. Grady had proposed his name.

Mitchell Laramie, nominated by Mr. Tanager, was the third constable who saw his way clear to take the nomination. John Kelly of the city water works refused to make the fourth. P. D. Donohue was named by Dr. Wilcox as registrar of voters and the places on the school committee were filled by the nominations of Thomas J. Kelley and James P. Twomey, the first by Dr. George B. Wilcox and the second by ex-Mayor Tanager.

Chairman Twomey requested that the young men who wish to be made voters appear before Registrar O'Donohue before 5 o'clock Thursday. Then ex-Mayor Tanager moved that the town committee be empowered to make the ticket perfect by filling defections and the meeting adjourned.

## Self Help For Nervous Persons

Can often be achieved by a simple change of food and drink.

Much nervousness is caused by coffee drinking—eminent medical authorities having demonstrated that the coffee drug, **caffeine**, is a definite nerve poison to many persons.

Coffee has no food value whatever, and is a deceitful friend. Under its use the nerves first become irritated; then so sensitive and "on edge" that a slight variation from general health often appears most serious to its victim.

However, Nature responds quickly to common-sense treatment, and right living frequently does more than medicine. So, if you value peace and comfort, try this easy experiment.

Stop coffee entirely and have hot, well-made

## POSTUM

This pure food-drink, made from prime wheat, has a Java-like flavor and a fine dark brown color which changes to rich golden brown when cream is added.

It contains the genuine nourishing elements of the grain, but is absolutely free from the coffee drug, or any other harmful ingredient.

Postum comes in two forms.

Regular Postum must be well boiled.

Instant Postum is a soluble powder. A spoonful dissolves quickly in a cup of hot water and, with cream and sugar, makes a very palatable beverage instantly.

Thousands have been wonderfully benefited by using Postum instead of coffee—
